

UNION LABOR RETIREMENT ASSOCIATION

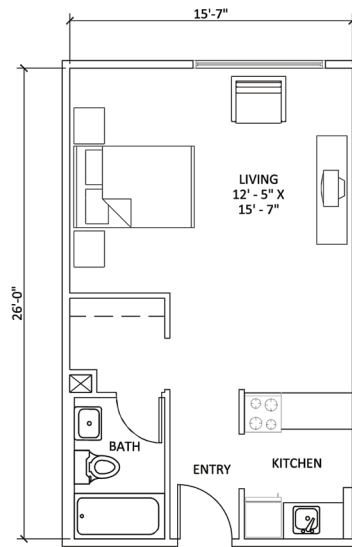

Labor Leaders in the Portland Building Trade Movement organized the Union Labor Retirement Association (ULRA) in 1962 with the sole purpose of providing housing for the elderly. Their dream has been realized as six Union Manors. One of which is Marshall Union Manor which opened in January of 1974.

Manor Management Services, Inc. proudly manages and develops elderly housing for residents from all walks of life. We are happy to offer safe, sound, comfortable, affordable living.

RETIREMENT LIVING
AT ITS BEST

Retirement Living for Seniors

Marshall Union Manor applicants eligible for admission need to meet the following criteria: family of two or less – one of whom is age sixty-two or older, meet income guidelines set forth by HUD (where applicable), comply with tenant selection criteria, and meet the terms of the lease.

Marshall Union Manor has no application or buy-in fees. A direct federal rent subsidy is available to all who qualify. Happily, this finds us with a wide range of resident income levels, which provides a broad economic mix.
